

UPDATE ON CLUB UNIFORM

Unfortunately we were unable to meet the minimum order required to order the original club uniform items from Engine.

With this in mind, together with all the feedback I have received from club members I have sourced another excellent option from JSM that will suit and cater for our club much better given there will be smaller sizes available and no minimum order.

I have also been able to negotiate fantastic pricing on these items and will be available at the pool on Monday 5th and Tuesday 6th December from 5.30pm – 6.30pm with lots of sample for everyone to try on. If you would like to place an order you can do so with me.

Please Note the club will not be keeping quantities of gear in stock for later. The prices I have negotiated with JSM are for bulk orders but items can be individually purchased later directly from JSM but will incur a further 15%- 20% surcharge. I would like to place the orders with JSM by Friday 9th December to enable delivery before Xmas.

It is highly recommended that most swimmers (especially Junior and Senior Country/State Squads) purchase the tracksuit .The polo shirt and T- Shirts are especially designed for Parents and Supporters but can be purchased for the swimmers also. We have also included (by popular demand) shorts to the range.

Payment Options:

- 1/ Cash or Cheque on receipt of goods,*
- 2/ Charged to your SSC account on receipt of goods.*

Please Note: All orders must be in writing
